EXECUTIVE PROFILE
Operations leader with 14 years in manufacturing and distribution. Has run plants and regional supply chains with teams of up to 220 people. Known for steady turnaround of under-performing units and for building second-line leaders.

KEY ACHIEVEMENTS
- Turned around a loss-making regional warehouse network by re-planning routes and shift patterns; the unit reached break-even in its third year.
- Reduced order-to-delivery time across four depots by roughly a quarter through a reorganised dispatch process.
- Built a succession bench: six of eight direct reports were later promoted or moved to larger roles.
- Introduced a monthly safety review that led to a sustained fall in reportable incidents at the plant.
